- Fulfil the general qualification for admission and English Language Proficiency Requirement stipulated on the CUHK Graduate School website.

HOW TO APPLY

Applications can be submitted via the Graduate School online application system at <http://www.gs.cuhk.edu.hk>

OUR PILLARS

SHARING OF LEARNING EXPERIENCE

Dr. Shirley WONG

Class of 2023

Associate Consultant,
Tuen Mun Hospital,
Hospital Authority

'Other than having the privilege of being taught and personally mentored by esteemed healthcare leaders, one of the most transformative aspects of taking the MSchSM course has been the shift in my perspective. As a doctor transitioning into the role of a healthcare manager, I have learned to view things from a more macroscopic standpoint. It has been an incredibly rewarding journey – one that has not only enriched my knowledge and skill set, but also equipped me with the confidence and outlook to take the next step forward.'

Ms. Pauline POON

Class of 2013

Senior Physiotherapist,
Hospital Authority

'Be prepared that there is a fairly heavy workload, nevertheless, it's a great experience to meet people coming from different backgrounds and to make new friends, they are there to support you and to make you feel like part of the team.'

Ms. Moria LAM

Class of 2019

Speech Therapist,
Tuen Mun Hospital,
Hospital Authority

'Pursuing studies in Health Services Management proved to be an incredible reward experience for me. With a team of experienced and dedicated professors and lecturers, I am well inspired and stimulated in the field of healthcare delivery in both academic and practical ways. Group projects and site visits were all fun and useful. Joining studies in Health Services Management programme should be your optimum and effective solution too!'

Dr. Kenny YUEN

Class of 2018

Hospital Chief Executive,
Tseung Kwan O and
Haven of Hope Hospitals,
Hospital Authority

'A Master Course that "Connected with the Reality" and "Practical". A valuable learning opportunity that we can share experience and viewpoint with teachers and classmates from different professional background. The acquired management knowledge is truly applicable. Busy yet Worthy.'

Mr. Dick NGAN

Class of 2018

Advanced Practice Nurse,
Tsueng Kwan O Hospital,
Hospital Authority

'"Great Leaders do what is right, not what is easy." MscHSM is the right choice to be a great leader. The fruitful program includes different aspects of healthcare management. All the teaching professor are the star of the industry. The sharing of their top management skill are precious and extraordinary. This incredible program cannot be missed and essential for the next level of your career.'

Ms. Josephine CHUNG

Class of 2018

Department Operation Manager
(Nursing),
Prince of Wales Hospital,
Hospital Authority

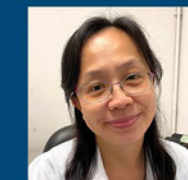

'This program is very useful. Professors and speakers had excellent experiences in the field of public healthcare and hospital management. Through imparting real world experiences in healthcare management by them, they speed up my learning curve in the new managerial role and have made me a more competent front-line manager.'

Dr. Cindy TAM

Class of 2019

Private Psychiatrist,
Private Clinic

'Expensive course fee
Exhausting homework and assessment
Extensive topics and comprehensive curriculum
Extremely inspirational discussions and sharing
Exciting study tour
Experienced, knowledgeable professors and instructors
Enthusiastic supervision, participation and interaction
Altogether: Excellent and rewarding learning experiences!'

Mr. Timothy TSO

Class of 2015

Founder & CEO,
Medical Professional Service LTD

'Being both a healthcare professional and a businessman who provides health services, HSM programme widens my career vision and facilitates my growth further in the field. I learnt to be a "leader" rather than just a "manager" of a company.'
